

## Building Safety Fund: registration statistics

### Building Safety Fund registrations and funding allocation

#### Total private sector registrations

Total	Private Sector Registrations	Total number of buildings
London	1628	1831
Rest of England	1192	1344
<b>Total Registrations</b>	<b>2820</b>	<b>3175</b>

Note: Some registrations to the Building Safety Fund cover more than one building, for example where a registration was submitted for a residential development made up of a number of separate buildings. The table above shows the total number of registrations and the total number of buildings covered by those registrations

## Private sector registration status

Status	31 August 2021	30 September 2021	Monthly change
<b>Reviewed Registrations</b>	2339	2348	+9
Proceeding with an application for funding(1)	657	689	+32
Registration ineligible (1)	479	477	-2
Registration withdrawn	609	626	+17
Insufficient evidence to allow verification (applicant has only provided partial information required to verify eligibility and further information has been requested)	237	183	-54
Registration eligibility currently being reviewed	357	373	+16

<b>Status</b>	<b>31 August 2021</b>	<b>30 September 2021</b>	<b>Monthly change</b>
<b>No available evidence to assess verification (applicant has not provided information required to verify eligibility and has not responded to requests for this information)</b>	481	472	-9
<b>Total Registrations</b>	2820	2820	0

Estimate of homes and properties covered by Building Safety Fund applications = 67,000 (2)

(1) Figures shown include appeals which have been submitted against ineligible registrations

(2) Estimate is based on responses for the 689 current Building Safety Fund applications to a question on the number of units in the building asked as part of the registration process

#### **Private sector buildings with ACM and non-ACM cladding**

There are currently 65 registrations for buildings with both ACM and non-ACM cladding systems. Of these, 39 have been assessed as eligible for funding for the non-ACM and ACM cladding and 36 have been awarded funding for costed works.

## Social sector grant claims

Status	31 August 2021	30 September 2021	Monthly change
Eligible Claims subject to further review	105	104*	-1
Reviewed Claims	109	110**	+1
Claims Approved	48	49	+1
Claims Ineligible	28	28	0
Claims Withdrawn	8	8	0
Total Claims Received	222	222	0

\* **47** of these were received in June 2021 just prior to the deadline for receipt of applications and are gathering information, the remaining **57** are at various stages of technical assessment, all have received an initial review.

\*\* This includes 33 claims which have had their technical eligibility accepted but remain under review to assess associated costs.

## Building Safety Fund allocation (private sector and social sector)

### Private sector funding allocation

	No. of buildings with Non-ACM cladding	Funding allocated for buildings with Non-ACM cladding	No. of buildings with Non-ACM and ACM cladding	Funding allocated for buildings with Non-ACM and ACM cladding (3)
Full Applications Approved	165	£434.8 million	38	£67.4 million
Pre-Tender Support Allocations	318	£129.7 million	15	£5.6 million

(3) Allocations shown in the table for buildings with ACM and non-ACM cladding are just for the funding of non-ACM remediation by the Building Safety Fund. The funding of the remediation of the unsafe ACM cladding is through the Private Sector ACM Remediation Fund.

### As at 30 September 2021, the total private sector funding allocation is £637.5 million

As at 30 September 2021, the Building Safety Fund's Private Sector expenditure stood at £172 million. Expenditure data is updated on a quarterly basis with the next update due in January 2022.

### Social sector funding allocation

As at 30 September 2021, the total value of approved social sector grant claims is £96.6million.

As at 30 September 2021 the total value of social sector grant claims expenditure stood at £37 million. Expenditure data is updated on a quarterly basis with the next update due in January 2022.

## Total funding allocations

	31 August 2021	30 September 2021	Monthly change
